It is that time of year again and we are looking forward to another exciting and fun event. The Kinder/Gym Challenge gives your child an opportunity to show off all the skills they have been learning. It is a great opportunity for relatives to come and see what gymnastics is all about. It is a non-competitive event that enables children of all skill levels to achieve to the best of their ability. For young school age children who are new to gymnastics, it is a great opportunity for them to experience a competition environment with no pressure to compete.

The event will be run in three stages, according to your child's age. If you have more than one sibling of varying ages that would be attending, feel free to place them in the one time slot. Just circle the time they would be attending.
