

## **KINDER/GYM CHALLENGE**

It is that time of year again and we are looking forward to another exciting and fun event. The Kinder/Gym Challenge gives your child an opportunity to show off all the skills they have been learning. It is a non-competitive event that enables children of all skill levels to achieve to the best of their ability. For school age children who are new to gymnastics, it is a great opportunity for them to experience a competition environment with no pressure to compete.

If you have more than one child then we can place them in the one time slot. Please let us know if this is the case.

Each child will receive a medal, certificate and achievement card at the end of the event.

**We look forward to seeing you there.**
