Dear Gymnasts and Parents,

There have been some slight changes to training arrangements in senior squads following the L4-10 competition season. Coaches have taken this opportunity to recommend four gymnasts to train an extra day with Ludmila (Sasha on Bars) on Thursdays. It is anticipated that all Level 4 gymnasts will move to 4 days training as soon as ready.

For those identified below, please advise if your family and athlete are able to make this extra commitment, both financial and time-wise. Coaches believe these gymnasts are ready to benefit from the extra training session and would like them to start Thursday 7th if possible. If gymnasts need any assistance with homework deadlines, lines off, etc, the Club is able to provide a supporting letter to your school.

If you have any concerns regarding this invitation, please make a time to talk to coaches.
