Term 2 2010

Awarded to

Katrina Le

"Katrina now coaches some of our older and harder state groups, dealing beautifully with children's individual, and in some cases, very demanding needs whilst simultaneously keeping her whole class busy, engaged, having fun and SAFELY making steady improvements in their skills. Katrina is also doing a fabulous job teaching our assistants. Katrina is always cheerful, positive, patient, gracious, warm and sensible, to both children and staff, offering clear instructions and sensible, clever circuits! Her abilities to communicate are truly exceptional. Katrina is always helpful on a Saturday morning when we need it most! She is a credit to our Club"
