*NSW MG Grand Prix Round 4 2010  
Sydney Olympic Park Sports Centre (SOPSC) - Gymnastics Centre*

Dear Parents and Gymnasts,

MG Squad 1 is participating in the above event on Saturday 14<sup>th</sup> August – leading up to GACT's L1-5 Grading on Sunday 22<sup>nd</sup> August. We have entered the boys in the L3 U/9; L4 U/10 and the L6 Open competitions. Please note that the competition will take place in the *training centre*.

Past Saturday schedules start with an early afternoon competition (Club venues have training on Saturday mornings). The trip takes around 3 hours, often less depending on traffic. To save on costs we ask that parents car pool the 7 boys, the coach and the judge (if need be) to the event, which will hopefully finish before 6pm.

As usual gymnasts may travel in comfortable clothes – a CCGC jacket (borrow from the office) should be handy in case we stop somewhere.

Bring the usual:

- CCGC backpack; water bottle;
- Competition uniform: Leotard, shorts, longs, grips, polo shirt, black track pants, white sox, etc;
- Healthy snacks, fruit and maybe lunch for travel; There is a food outlet at SOPSC.
- Food can be discussed by parents – an agreed stop at the end of the day would be fun.

### *Costs:*

Competition Entry to Office by Saturday 24<sup>th</sup> July: **\$55 per gymnast.** (the Club has paid for entries already – so your payment earlier would be appreciated)

Please check that you have no outstanding payments from the Hunter trip.

Regards,
